Subject: Meeting to discuss Oak Ridge issues

Claudette and Rhashana,

Would you please set up an hour meeting with Randall and Maurice for Cathy and I the week of April 5th? Looking at all of our calendar's Wed morning (the 7th) seems to be a good time for everyone.

Here are a couple of the topics we need to discuss.

- 1) Administrator's Decision (dilution and sequence of documents)
- 2) TDEC's mercury proposal
- 3) Public participation in upcoming ROD
- 4) FTE request to DOE (draft letter for Randall's signature)
- 5) The need for a standing Oak Ridge update meetings

Thanks,
Glenn
